## About the Bee

The National Civics Bee is an annual competition that encourages young Americans to engage in civics and contribute to their communities. In the first round of the contest, students will participate in an essay competition. Judges will then select 20 finalists to participate in the final round: a live quiz event testing civics knowledge.

## How to Enter

If you are a 6th, 7th or 8th grade student with an idea about using civics to solve a problem in your community, review the rules and regulations on this page.
